DECEMBER 2009

A Note From The President

The year 2009 was another good year for the club. Even with the poor economy; club membership stayed at the 2008 level and financially the club remains sound.

The once a year \$10.00 fee for use of the rifle range has been used for covering the rifle range. It has been completed at the 25 and 100 yard firing lines. For the 50 yard section, the concrete piers have been installed and the steel has been purchased. This section will be completed as soon as the weather permits next year. As funding is available, cover for the 200 yard section will be completed and the entire firing line will be re-graded. Also, in preparation for winter use backstop wood for target mounting has been repaired.

In 2010, our Game Dinner is on February 6. This is our major fund raiser and its success is vital to the club. Again this year, we have need for donations of wild game and items for raffle. Donations would be a greatly appreciated. Volunteer help to run the event is also needed. If you can spend time giving a hand at the event please give me a call.

On Wednesday January 27 officers and directors will be elected at the annual meeting. Any one who wishes to run please contact me or Chris LaFrance.

We always are in need of help to maintain the facilities and run events. If you would like to help out contact an officer or director.

I wish all of you a Merry Christmas and Happy healthy and safe New Year.

Donna
